

Greetings Friends!

It gives me so much joy to report the remarkable transition of four young girls to boarding school during the last week of January – Rael, Jackline, Margaret and Milka.

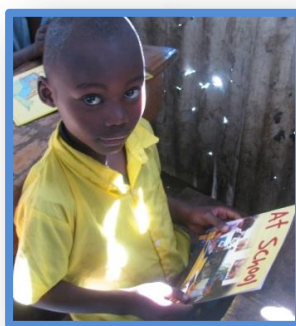

Rael (1st from left in photo above) was in our last newsletter and had been asking when we would take her to a “big school.” Her wish came true and it’s a bigger and brighter future ahead for her and her three friends.

It was crucial to move them to a safer setting which is also more conducive for learning. We thank God for this miracle and for our visionary partners who give to our 2911 Scholarship Fund.

We are so grateful to our friends for the continued generous contributions towards our ABC Classes (ABC = Art, Bible &

Communication). From children’s books, pencils and paints, to stickers, colourful paper and so much more – what a treat the kids are in for

this year! How wonderful it is for them to grow in self-esteem through the art and Bible lessons, and expand their precious minds through books. Thanks!

We are thankful for continued relationship building with the Majengo Community. Teenage girls visit the Assistant Chief constantly to tell her their problems which very often include the

need for sanitary towels – many of them report that their mothers or guardians insist that they engage in sex for money to buy such supplies. Through **Freedom 40**, we were able to provide 60 girls in Majengo with sanitary towels and plan to continue with this effort. Many thanks to all our Freedom 40 supporters – you are making a lovely difference.

Christmas comes early for One Lamb...

Every year, **Rosslyn Academy** runs a fundraising campaign, “The Christmas Project” and gives the proceeds to organisations making a difference in the community. One Lamb was so grateful to receive sh200,000, a sh20,000 gift voucher to buy supplies from Savanis, books, sanitary towels, and food to give to families in Majengo. Thank you Rosslyn Academy!

Fun Zone Restaurant in Garden Estate also wanted to bless One Lamb over Christmas so they hosted “**Carols on the Greens**” on December 21. The children had a wonderful time singing and One Lamb was so grateful for the generous contributions that came in to support our 2911 Scholarship Fund. Thank you Fun Zone!

From the mission field to my heart... During one of our ABC Classes, I was showing the children a slideshow on the letter “E” – elephant, elbow, egg. The children as always were enthusiastic to discuss the pictures – which gives me great insight into their lives. When we got to the Bible characters – Esau, Ezra, Elijah, Esther and so on, you could hear a pin drop. They stared with mouths agape not wanting to miss a thing.* I was awe struck at their pure innocent hunger for God – for sure there is a space in our hearts that only He can fill... In Jeremiah 29:13 God says, “You will seek Me and find Me when you seek Me with all your heart.”

*Churches in the slums don’t generally have space/resources for Sunday School.

Please pray with us for continued impact in Majengo and for adequate resources to run the initiatives.

If you would like to support this work and help us keep kids out of child prostitution, please send an email to info@onelamb.org or contact Ciru on +254 732 579 454.

Thank you.
