

*Greetings Friends!*

*June 2019*

*So much has been happening since our last update and we are truly thankful to God for His provision and continued grace. We thank you for walking this amazing journey with us.*

*Here are a few highlights we are so happy to share about...*

## Total Transformation... for More Transformation

When something run down, broken and no longer useful is brought down to make room for a brand new brighter and better space like this, good things are bound to happen...

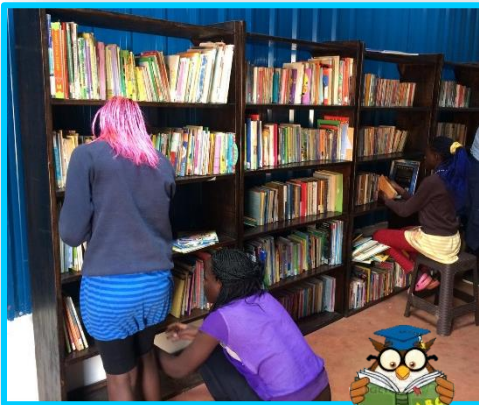

Thanks to a gift from Nairobi Chapel together with the Peoples Church, Toronto, Canada, we were able to tear down this old

dilapidated shack and replace it with a 3 room building that has a storeroom, a library and an activity hall. The hall has provided the girls with space for their art and craft activities, dance lessons, creative writing, and amazing life skills seminars (A Jewel in His Crown seminars).

Oh how they are blossoming!

## A Wonderful Gift that will keep on Giving and Giving...

**SUMMIT**  
church

Every year, Summit Church in Orlando Florida, takes up a special offering during their Christmas services and it all goes to a ministry locally or internationally. One Lamb was honoured to receive this gift for Christmas 2018. The Summit community preciously gave a very generous

**\$130,795.24** - thank you Summit!!

The funds are specifically designated to invest in the lives of our girls through vocational training, computers and a van. They will also be used to help invest in the sustainability of the ministry – watch this space!

(\* be sure to watch the **info video** by clicking the link below – it was wonderfully made by Summit Church and with footage from Joseph Muiru)

## Our High School Pioneers are Reaching for the Stars

Our girls are trailblazers in many ways. Two of them joined High School earlier this year – our first at One Lamb and also the first in their families to go this far in **education**. The sky is the limit and we're thrilled to witness their **soaring** to greater heights every year and super thankful to their sponsors who are providing this remarkable boost!

January

Another wonderful achievement earlier this year was two of our girls received awards for academic **excellence** at school. They are not yet in high school but are set to join next year and the year after – bright futures ahead!

February 2019

## One Lamb Celebrates Seven Years!

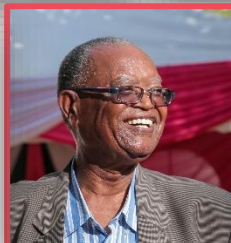

One Lamb started on January 1, 2012 with baby steps into a whole new world of untold suffering and despair. By God's amazing grace at work through us and our partners over the years, many children have been rescued from exploitation and set on a much brighter path of **overflowing joy**, freedom and hope. In February, several partners joined us from near and far to celebrate the milestones and give thanks for all God has done and continues to do. The highlight of the event was **dedicating** our library to the memory of our most remarkable first Board Member, the late **Janis Lee Mwosa**. We are forever grateful for her generous heart, profound wisdom and loving guidance. We are also grateful for all our **event sponsors** that provided our lovely birthday cake, commemoration plaques, food, drinks, tents, chairs, music, PA system and photography >> Weddings & Events by Kui, Capital Colours,

Sound Fusion, Joseph Muiru Photography, Cakeworld, Realtec Construction Ltd, Goldwings Events, A Cake Affair, Pelo Tents & Decos, Decadent Catering, and

Scrumptious Eats.

**Thank You!**

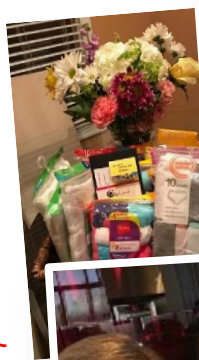

## New Frontiers and Meetings with our One Lamb Friends

Parts of Dec-Jan and April-May included meetings in the US with new partners (and some not so new) to share the **vision** of One Lamb, inviting friends to come on board and help us as we keep helping the children. Meetings were held in North and South Carolina, Florida, Atlanta, Virginia, Colorado, California, Boston and Chicago. 🦋

Thanking God for the most **amazing hosts**, new monthly partners, generous gifts in cash and kind which included undergarments and lovely backpacks for the girls.

April - May 2019

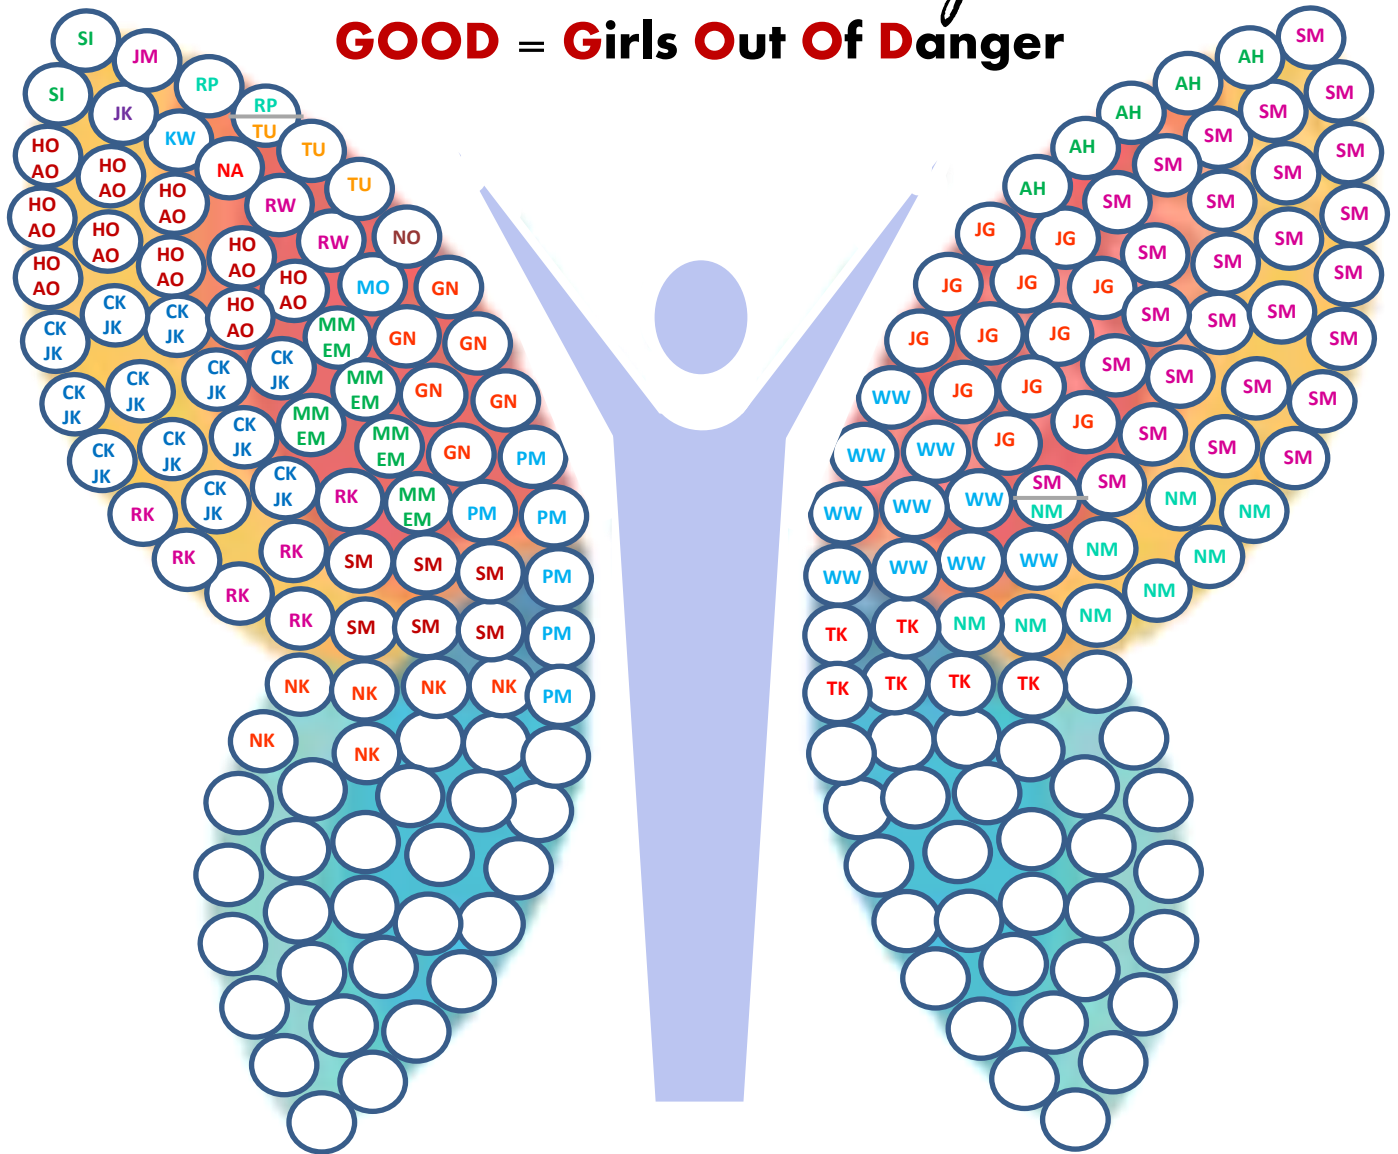

We look forward to growing **partnerships** that will help secure a more sustainable future for One Lamb and for our girls. ☀️

December 2018 - January 2019

# The **GOOD** Project

**GOOD** = **G**irls **O**ut **O**f **D**anger

It takes about \$100 a month to provide 1 girl with safe shelter, education, counseling and play . In order to better provide for our girls, we have merged our Club 120 Initiative and the sponsorship part of our 29:11 Scholarship Program into The **GOOD** Project (**GOOD = Girls Out Of Danger**).

When 10 people commit to give \$10 a month (about 33cents/sh a day – some change for GOOD), 1 girl is supported.

We invite you to join us in supporting many more girls.

We are so grateful for our **GOOD Heroes** in Kenya and around the world who have taken up different numbers of \$10 spots – like 1, 5, 10, 20 spots – whatever is comfortable. Each **\$10 spot** goes a long way in making the difference from a life of exploitation to a life with a bright soaring future.

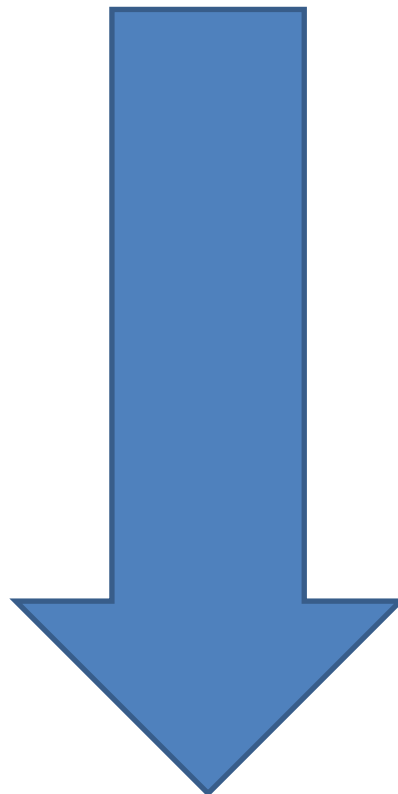

Each \$10 spot taken has the Hero's initials written in it. Our goal is to have all 200 spots taken by September 1st so that 20 girls are supported each month. How many spots can you take up and be a child's **GOOD Hero** today?

The easiest way is through our Giving Page on our website (link below). If you set up an automatic **monthly** donation through Paypal or your bank, you never have to worry about forgetting.

Follow the **link** to set up or email us for additional options. Thank you!

We continue to thank God for our wonderful **friends** (our heroes) who partner with us from near, far and very far. In giving gifts of skills, time and resources, you make our girls feel **special** and loved. Through all these activities, our girls receive **restorative care**, education and discipleship to grow into the amazing women they were created to be.

Thank you **Incredible Heroes!**
