

Greetings friends and Ministry Partners! We have so much to be thankful for this month – including steady relationship building in Majengo informal settlements, great impact of the ongoing Art & Bible classes, new Ministry Partners coming on board, and continued support from our existing Partners – we are very grateful, thank you!

We thank God for the continued generous contributions towards the “Freedom 40” sanitary towels campaign. One benefactor, Yvonne Gitobu (pictured on the left) contributed several packs at her home on Monday morning September 24, and by the same afternoon, they were in the hands of some very happy girls at Undugu School, Majengo.

We thank God for students like Rahel – she is the most polite, most determined child in our class. Here she’s pictured reading with all her heart – she knows it’s the ticket out of slum life.

Rahel joined our reading assistance program and has

already started asking us to take her to a big school. It’s a brighter future ahead for Rahel – a good education can keep her out of prostitution ... watch this space!

If you would like to support this work and help keep kids out of child prostitution, please send an email to [info@onelamb.org](mailto:info@onelamb.org) or contact Ciru on 0732 579 454. Thank you!
