

Greetings Friends,
This New Year's Eve we won't
be out Good Will Hunting but instead...

With all the expenses
that need to be met, the
question that usually comes
up in different ways is,
"You're **planning** to do what?
Really?
But with what money?
...**what money**??"

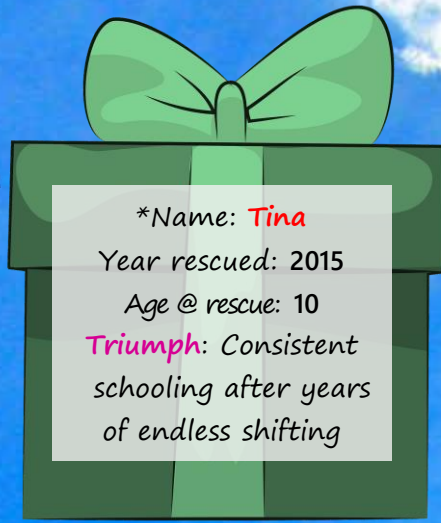

So to end the year well,
we would like to **highlight** some
triumphs our girls have made, one
girl at a time. With all they have been
through to get to where they are, we
thank God for His gracious miracles,
their growing faith, for the **honour** of
walking with them, and for our partners
who generously give the "**what money**",
in-kind gifts, time and lots of love
and prayers to make a
wonderful difference
in their lives...

***Names** have been
changed to honour
the privacy of the
